

Creating a Site Development Plan: Pre-Award

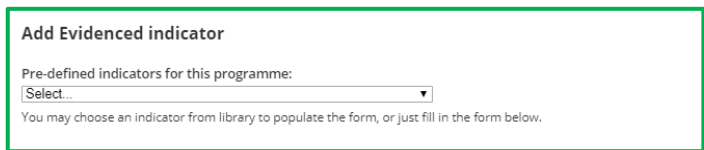

Grant applicants are required to submit a **Site Development Plan**. This will allow you to communicate with your Grant Manager about how your proposed project will contribute to the *National Football Facilities Strategy outcomes framework*.

- Click on **ADD NEW**

From here add **Pre-defined indicators** from a library, to indicate what your project intends to deliver

- Click on **Select pre-defined indicators**

- Pick the relevant **Pre-defined indicators for this programme** (site development plan)
- Edit/delete the presented **Deliverable(s)** to make them more specific to your own site
- Assign responsibility to each deliverable and decide which year(s) it is relevant for
- Click **SAVE**
- Your **Evidenced Indicator** page will refresh after a couple of seconds

Add as many of the **Pre-defined indicators** as relevant for your site.

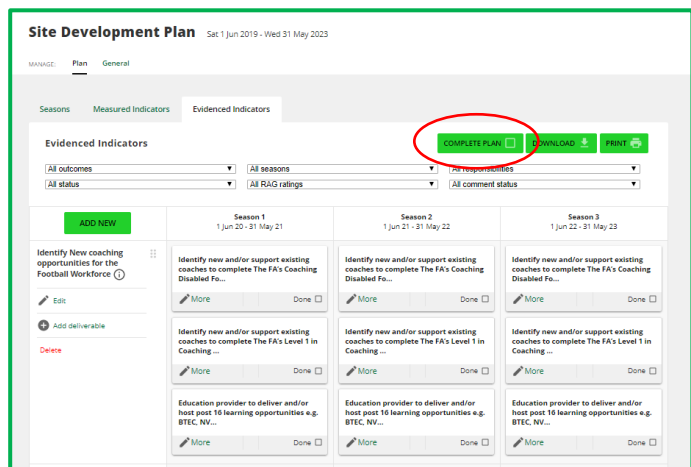

When you have finished click on

COMPLETE PLAN and your

Engagement Manager will then be in

touch, as this will automatically

update your application.
